RUHPOLDING

Radlwege

Tour outline

Easy 20-km bike tour for the whole family around the whole Ruhpolding valley with short, very manageable ascents.

Description in brief

Starting from the Egglbrücke bridge, cross the road, pass the indoor tennis courts on your left, always following the River Traun. After approx. 1 km, turn left under the railway track, follow a short zig-zag route and go left towards the Hauptstrasse. Cross the Hauptstrasse in the direction of Steinberg-Alm/Brand, and after about 200m, turn right to Oberschwendt. Pass lovely old farmyards with a beautiful view of Ruhpolding, and go down the gentle slope to the Steinberg-Alm-Straße. Follow the signs to Maierschwendt. After leaving Maierschwendt turn right off the asphalt road and pass the marble quarry en route towards Haßlberg. Then it's downhill again between farmyards into the Brandertal valley. Another little climb to the Freizeitpark (fairytale park). Pass through the districts of Bärngschwendt, Guglberg and Gstatt to Fuchsau. Cross Seehauser-Strasse and turn right onto the bike trail to Fritz am Sand. Cross the old railway bridge and take a sharp turn left in the direction of Taubensee. Ride through a small wood and turn left onto the Alpenstrasse. After approx. 300m, turn right past the camp site and through the golf course to St.Valentine's Church, and you're almost back where you started.
